STEPS TAKEN BY STATE TO KEEP DRY COUNTIES DRY

MONTGOMERY, May 30.—Two blows, both indirect, were struck against "bootlegging" of State store liquor and beer in dry Alabama counties.

The State Alcoholic Beverage Control Board adopted a regulation permitting customers to purchase only two quarts or two pints at one time in dry liquor stores.

Atty. Gen. A. A. Carmichael ruled possession of liquor or beer by cases in dry counties shall be evidence within thirty days of conviction that the liquor was kept for sale or distribution contrary to law.

In other opinions, the Attorney General held: Liquor or beer being sold in dry counties can be confiscated, giving of beer to customers is prohibited in dry counties, and liquor purchased in another State may not be possessed in Alabama.

The new customer-limit for State stores—operating so far in only three of 24 wet counties—was adopted, the Board said, "to speed up service" and Chairman W. C. Baldwin said it would "make it mighty inconvenient" for persons buying for resale in dry counties.

Several requests for rulings handed down by the Attorney General said sales in dry counties were widespread.

The State Control Act prohibits sale or manufacture of alcoholic beverages in dry counties, but places no restriction on possession of liquor legally purchased in wet county, the Attorney General has ruled previously.

About People and Things By C. B. McDowell

TOO HOT!—Only a few weeks ago we were complaining about having winter in spring. Now we are complaining about having July and August weather in May. The past week or ten days has been one of the warmest periods of the time of year ever recorded in this section. On several days during the heated period thermometers on the square have registered near or above the century mark. No rain of consequence has fallen for two weeks, which is fine for cotton but hard on gardens and other growing vegetation. This has been a season of extremes and abnormal weather conditions, beginning last January, when, for several weeks, we had real summer temperatures. Then came the cold weather in March and April. Now we are experiencing mid-summer temperatures at a season when we usually have the most delightful weather of the whole year. Wonder what we will have next? According to the general law of averages, we should have a comparatively cool July.

CONSIDERABLE MOVING—One of our community merchants are more cases of tenants moving out and leaving their crops this spring than in this section, thus he ever saw. Mr. Grimes says that in some cases the tenants are being fault while on the other hand, the landlords are to blame in others. He says that the spirit of unrest, prevailing all over the world seems to also be present in the rural districts.

PREACHING ON SQUARE—Rev. W. J. Hughes announced that he will preach in the courtyard Saturday afternoon. He will be a loudspeaker, which makes a hearing of this kind more effective. Special singing will also be featured. The public is cordially invited to attend.

TREE IS DEAD—What doubt there may have been to whether or not the big oak tree in the northwest corner of the courtyard was going to die, has been removed. The hot sun and dry weather have put the finishing touches on it and that grand old tree of former years is now but a skeleton of what it once was. Everything but the trunk is now left to rot.

EMERGENCY—Albert Perdue, who is in the employ of one of the largest copper mining companies in the world, located in Chile, S. A., is rounding out a three-month vacation visiting home folks here. He was supposed to return to his job the early part of June, but he could not bear the thought of returning to the wilds of Chile for another three-year period and endure the vicissitudes of "single blessedness." To make a short story longer, he visited Hartford and 12 miles north of Bonifay, Fla. Outstanding preachers and Bible scholars are on the program and it is expected that this year's session will be even better than the ones that have preceded, which is saying a great deal. Rev. W. J. Hughes, pastor of the Elba Methodist Church, is president and co-founder of the Camp Meeting Association.

IN HOSPITAL—A. C. L. Agent Alvin Strain is in the Coast Line hospital at Waycross, Ga., where he underwent an operation several days ago. It is reported that Strain's condition is satisfactory.

BELIEVE IT OR NOT—Pat Horn says that Levy Foley has traded automobiles, which is real news and is worthy of being placed in Ripley's Believe It Or Not column.

DISTINCT CHANGES—O. C. Smith says this has been a year of unusual changes. For instance, he says that the weather has been so different from what it was in the years of farming experience, new crops start off more favorably or give promise of making bumper yields than they did at the beginning of the season. Then came the excessive rains which tore up the fields as badly as he ever saw. This was followed by a spell of cold wet weather which

made repainting necessary, and it looked for a time as though we were destined to face almost a total crop failure. Then came the abnormally hot, dry spell which is still prevailing, which has made cotton and other crops grow "like nobody's business." He says in his never seen cotton grow faster than it has during the past three weeks. Thus, three distinct changes in crop conditions have taken place since the beginning of the season, and it now looks like Cotton County is again going to be blessed with bumper crops which promise to bring fair prices.

TWO ABLE SERMONS—Pastor W. J. Hughes took a well-deserved rest from preaching duties last Sunday, his pulpit being filled and Ora Kelley, Mrs. Bobbie L. Grimmer, Miss Marjorie Sawyer, Miss Ione Blanton, Miss Lillian May, Miss Mary Ellen Morris, Mrs. Ruth Tomlinson, Miss Ned Gardner, Clark, Mr. F. W. Ellis, Mr. J. R. Harper, Mrs. Emma Andrews, Mr. E. C. Griffin, Mrs. Ruth B. Moore, and Mr. Philip McKinnon.

The nine teachers who will attend the University of Alabama are: Rev. Harvey Lockhart, Duffield—Bobby Jo Smith, Sunshine—Martha Ann Dixon, Rabbits—Tecal Young and Edna Rose—Joan Clark.

Ree—Kenneth Talbot, Elba—Beatrice Brown, Visitor—Hazel Brooks, Rain—Thelma Hall, Mrs. Tom Hutchison, president of the P. T. A., presided over a short business session to dispose of all remaining business. A report was given by the treasurer, Mrs. Kinney Parry.

The following officers were installed by the president at an impressive service: President—Mrs. M. C. Russ, Vice-President—Mrs. L. P. Mullins, Recording Secretary—Mrs. H. A. Farris, Treasurer—Mrs. J. W. English, Corresponding Secretary—Mrs. L. L. Farris, and Secretary—Mrs. L. L. Farris.

The old officers, as they retired, were presented lovely corsages by the president. The new officers pledged their best efforts to the organization and the members in turn pledged their loyalty and support to the new leaders in their every undertaking.

Mrs. Tom Hutchison expressed thanks for the splendid cooperation given her during the year. Mrs. A. C. Dunaway, president of the County P. T. A., expressed appreciation for the Elba chapter's part in the success of the county work.

The meeting was dismissed with prayer by Supt. J. C. Dixon.

MRS. CROOK HOSTESS TO PASTIME ROOK CLUB

A delightful affair of the season was the rook party given by Mrs. W. R. Crook Friday afternoon, May 21st, honoring members of her rook club, and additional guests.

The living room was attractively decorated with baskets of roses, daffodils and carnations, artistically arranged.

Several progressions of rook were enjoyed during the afternoon, after which a delightful salad course with iced tea was served by the hostess, assisted by Mrs. Jim Whitman and Mrs. Irma Rainey.

Guests enjoying this delightful affair were Mrs. J. M. Bonneau, Mrs. Willy Blair, Mrs. Arden Bradley, Mrs. James English, Mrs. Sam Young, Mrs. John Wiley English, Mrs. W. J. Heflin, Mrs. O. C. English, Mrs. Walter Whitman, Mrs. Gordon Prescott, Mrs. Rhodes, Mrs. Drayden Smith, Mrs. James Dixon, Mrs. M. C. Russ, Mrs. W. M. Brunson.

Daily Vacation Bible School For Boys And Girls Of Elba Will Begin Monday, June 7

A daily vacation Bible School for the boys and girls of Elba will be held at the First Baptist Church beginning Monday, June 7, and continuing through June 18. All children from the age of 3 through 16 years are eligible for the training and are cordially invited to attend in the school.

This is the first time in many years that a Bible training class of this proportion has been undertaken here. Rev. J. A. Timmerman, pastor of the Baptist Church, started the movement and has had splendid encouragement from fathers and mothers of the town generally. All churches have been invited to participate and especially to see that all children are enrolled. The faculty will be made up of Sunday School teachers and leaders from all churches of Elba.

Registration for the school will be held Saturday, June 6, at 2:00 p. m., at the Baptist Church. All children between 3 and 16 are urged to come at that time. Following registration, children, faculty and leaders will parade the town, carrying banners and placards stating the purposes of the daily Vacation Bible School.

On Monday morning, June 7, at nine o'clock, the school will open, with four departments, namely: Beginners, Primary, Junior and Intermediate. Hours of the school will be from 9:00 a. m. to 11:00 a. m. daily. It will be held five days a week and will continue for two weeks.

Teachers who are to take part in the school are attending a special training class this week, one session having been held last night and another scheduled for tonight. The importance of Bible Study and the great good that will come to children by attending the school cannot be stressed too strongly. All parents in the town and surrounding community are urged to enroll their children so that they will benefit from the systematic instruction that is to be provided.

Rev. W. J. Hughes, pastor of the Methodist Church, will have charge of the morning devotional exercises.

MONTHLY W. M. S. SOCIAL HELD WITH MRS. CROOK—The Methodist Missionary Society was delightfully entertained for its monthly social in the home of Mrs. W. R. Crook on Monday afternoon, May 21st, when Mrs. Crook and Mrs. J. M. Garrett served as hostesses.

The home was attractively adorned with bright summer flowers.

The meeting was presided over by Mrs. D. C. Marley, president, who opened the meeting, with a song, "Come Thou Fount," followed by sentence prayers.

During the social business session, the society voted to hold only two meetings a month during the summer, business meeting on the second Monday and a social on the fourth Monday. A final check-up was made on the magazine-selling campaign. The district Missionary conference to be held in Union Springs was discussed and members were urged to attend. At Mrs. Marley's request that a chairman be elected to carry on the work during her several months absence, the society selected Mrs. W. R. Crook to fill this place.

The subject of the program was "The Church Universal," and was presented in the form of a radio broadcast with countries in which missionary work was being done being "tuned in."

Mrs. A. C. Dunaway was the leader and gave the devotional, from Acts, and a delightful story, "The Re-Experience of Pentecost."

Mrs. J. M. Rowe discussed building the Church Around the World. Mrs. Felix Morrow gave the work in Japan, and Mrs. R. L. Cooper in Korea.

After the song, "Where He Leads Me," the meeting was dismissed with the watchword.

During the social hour the guests were invited into the dining room, where delicious punch and sandwiches were served from a table attractively decorated with American Pillar Roses.

Elba Seniors Entertained by Catherine Rushing—Miss Catherine Rushing, member of the graduating class of Elba High School, was a delightful hostess on Wednesday evening of last week, when she entertained members of the Senior Class and the faculty with a picture show party.

After the show the party was invited to the Happy Valley Ice Cream Parlor, where delicious refreshments were served.

Miss Matilda Thomas, 80 years of age, one of Bain community's most highly esteemed citizens, passed away at her home early Wednesday morning, May 28. She had been ill two weeks following a stroke of paralysis.

Mrs. Thomas, the wife of Mr. W. H. Thomas, one of Coffee's oldest and most prominent citizens, was born and reared in the county and had spent her entire life here. Hundreds of friends were deeply grieved at her passing.

Besides her husband, she leaves one daughter, Mrs. Nancy Chalm; three sons, Messrs. H. L. Thomas, L. J. Thomas and J. P. Thomas; two sisters, and a number of other relatives.

Funeral services were conducted at Shiloh Church by Rev. M. L. Carnley and interment followed in the church cemetery. Elba Funeral Home had charge.

Mr. and Mrs. Sam Sawyer, Mrs. C. E. Dorsey and Mrs. C. P. Hayes returned from a visit to Miami and other Florida cities Tuesday.
